TO MISSIONARIES—Please Note:

1. To facilitate the prompt payment of salaries, the Board permits workers to file their vouchers on the 15th of each month for which salary is due. The monthly report, which is required to be submitted *with* the voucher, must necessarily be for the previous month, that is, the voucher for May salary will be filed with the report for April, and subsequent months in the same manner.
2. Community and lay workers will report only those activities for which they are personally responsible. Where there is a staff engaged in one enterprise with which the Board is cooperating, the pastor or head-worker will make a total and inclusive report of all its activities for the month.
3. If a missionary regularly serves more than one point, he will fill out a blank with salary voucher attached *for one church only*; another blank without voucher should be used for each other organized church served. Unorganized points served should be reported for on the blank used for the organized church to which they are most nearly related. The blanks without vouchers should be mailed in the same envelope with the voucher-report.

MONTHLY NARRATIVE

While a statistical report is important in showing the program of the work, its range of activities and the attendance thereon, it can neither embody the real spirit of what is going on nor do justice to the work and workers. Accordingly, please write below a brief statement each month telling of any particular problems faced, new developments, special occasions and incidents of encouragement. This material will be of help, also, to the Board's Educational Department.

Was able to get the people to see the need of having a Sunday school. So one lady said - "We will have a Sunday school if I have to be the 'whole shooting match'." We organized and the school is functioning under her leadership of 250 lb. - So much, so good.

Securing enough work have been able to keep the Sunday school alive.

— So many of the people have moved away it is hard to secure enough to justify services. About half of the audience are children. And attentive too. This is the redeeming feature that makes the effort worth while.
